

**PENTECOST, 2019**

**Come Holy Spirit!**

**From depths of tears and chaos,**

**Holy Spirit, sieze us!**

**raise us from the murky depths--**

**of our swirling and choking waters.**

**Emerge fromÂ the cyclonic center**

**of our inner chaos.**

**Deliver us in the eye of the storm,**

**Energy of the Spirit,**

**move us.**

**I pray for myself, and those I love.**

**who linger in chaos,**

**Consoling Spirit, hover near cold tombs.**

**Fire of the Spirit, warm us.**

**When we are bogged down,**

**and tomorrow seems a dark dream,**

**Spirit Wind, rattle our windows.**

**Lightning Spirit, awaken us.**

**Stir us from inertia..**

**fear and cynicism.**

**Change us from: "Life is not fair:"**

**to "We can! We will!"**

**from Conteemp. North American Prayerbook, WJF**

**June 6, Normandy Invasion**

**Jesus prayed "that all would be one." Not only did D Day begin the defeat of the Nazis, it brought the fractured and warring nations of Europe together in the EUROPEAN UNION!**

**PRAISE GOD!**
