

BLESSED EASTER!

"This Spring, the Lord is teaching us to return to the roots of our Passover Feast: to stay home as the threat of death passes by our doors. to be refugees in a strange land, to abandon the fiction of individualism, while recovering the blessings of communal life. Blessed Easter!" Cardinal B;ase Cu[ich

MAY I ACCEPT THE SHADOW OF THE CROSS

WHEN IT FALLS ACCROSS MY DAYS,

FOR I KNOW THAT SOMEDAY,

SHADOWS WILL PASS AWAY,

MAGDALA

AND HOLY WOMEN WHO STOOD AT THE CROSS,

BE WITH ME WHEN FRIDAYS ARE DARK.

THE FORM OF THE CROSS IS UPON ME,

BUT THE RADIANT FORM OF THE RISEN CHRIST

GOES BEFORE ME,

CHRIST IN ALL HIS GLORY

CASTS NO SHAOW!

HE HAS DIED, BUT HE IS RISEN!

AND HE WILL COME AGAIN!

AMEN
