

The Parables of Matthew continue.Soloman seeks something deeper, somethig at his very core.

And today: The Wisdom of Soloman.

Soloman seeks from God, not the highest IQ

Not intelligence.

Not to be smart.

Not to be clever!

But rather an UNDERSTANDING HEART!

All the rest are in the head.

How much that is needed by State Governors today.

One of the Gospel parables is about buried treasure.

In this timeof Social Dstacing, we rediscover our treasre which is now buried and "out of our reach."Â
