Article NineÂ

Stir us from inertia,

fear and cynicism.

Change "Life is not fair!"

To "We can! We will!

Trump's Meglomania, Narcissism,and Lack of Empathy.

He has actually believed and said:

"No one respects women more than me.

No one reads the Bible more than me."

I can be more presidential than anybody. I would say more presdential, and I've said this a couple of times, more presidential other than the great Abe Lincoln!"

Pope Francis:

The contrast between "Narcissism of self ceneredness and the Christian "otherness" that is expresed in "gift and service" was the subject ofÂÂÂ a recent homily by Pope Francis.

"A man looked at himself in the mirror. He gazed at his own likeness embelished with ideologies and thanked the Lord for HIMSELF.

It is possible to liveÂÂ in such a manner that one should never arrive at fullness,

ÂÂ but only acheive a state of beig bloated, of being puffed up with vainglory."

545 imigrant childrenÂÂ previously lockedin cages have never been reconnected with their parents.

Does President Trump care?

Of course not.

He is a man who knows no empathy.
