JUST TO BE IS A BLESSING! JOSHUA HESCHEL

Advent Hope

At the edge

deep down below,

a voice is calling

in an echo cayon,

"Hear and follow me

as my companion..."

Â

Fall into fear,

Or look farther?

beyond the edge,

deep below,

hope carries on,

and does not falter.

Â

from my book to be published: *Together, Prayers and Inspirations*

This Advent we are at the edge of Advent light in the Covid darkness.

"Be alert!" says the Gospel.

Mask.

Wash.

Distance.

Â

Â

Fall into fear,

Or look farther,

Beyond the edge,

deep below,

Hope carries on,

and does not falter.
