"And we must take the current when it serves,

or lose our ventures."

Julius Caesar, Act 4, Scene 3

"Vaccination Time" isÂ our time to sieze the current!

Â

As we turn the page on the old year, more than ever the challenge of Covid still hovers.

Yet this new year brings us the vaccine.

Shakespeare highlights what a special time this is:

"There is a tide in the affairs of men,

Which taken at its flood, leads on to fortune;

Omitted, all the voyage of their life

is bound in shallows and miseries.

On such a full sea we are now afloat

And we must take the current when it serves,

Or lose our ventures.

Julius Caesar

Act 4, SceneÂÂ 3ÂÂ

Vaccination Time is our opportunity to "sieze the current."
