

JUST BEYOND!

Just beyond birthing pain...the joy of a child!

Just beyond the Inn's locked doors...the joy of the crib.

Just beyond the straw of the crib..animals' warming breath.

Just-beyond the edge of Solstice...the joy of awakening light.

Just beyond Covid's dread...joyful Hope for better days.

Just beyond, Hope springs eternal.

Just beyond.

Never behind!

''''''''''''''

Fact: The.holy Family were refugees seeking refuge in a foreign land.

Where do we find such Holy Families today?
