On Netflix: “STORIES OF A GENERATION

WITH POPE FRANCIS”

I highly recommend this. You will find it among DOCUMENTARIES on Netflix.

in today’s Gospel Jesus declares his Mission Statement:

”This is why I came! This is what I am all about!”

and this is Good News!

We so badly need Good News in our time.

Another recommendation: Watch “All

Things Great And Small.” On PBS Sunday nights.

“It is charming, relaxing, refreshing.

In the Eucharist we are enjoined to “Lift up your hearts!”

We need to seek out ways to do this. These two video resources will do just that.
