

TALK TO A FARMER IN HIS FIELD.

There is an old saying, "If you want to talk to a farmer, go talk to him in his field." In other words if you really want to communicate go where the farmer is most comfortable and thus more open to persuasion. So Jesus went today where Peter was more comfortable, where he fished. Thus Jesus wants to come to us WHERE WE ARE, INTO OUR FRIENDLY EBVIRONMENT.

JESUS WANTS TO ENTER INTO OUR REAL LIVES, BESIDES US AS WE GO ABOUT OUR DAILY LIVES.

It is up to us to make room for him there.

Come Lord Jesus into our daily lives which now are affected by Covid, Help us to protect ourselvesÂ

and show love to our neighbor by our mask wearing. Amen
