UKRANE AND LENT

Â

Today we go into the desert with Jesus where he is tempted by Satan who shows him all the kingdoms of the world and lies to him that by Satan's power Jesus can have all the power and glory. Satan has whispered these same lies in the ears of Hitler and Stalin, and now Putin.

Satan is the Father Of all lies.

Â In this Lent Of 2022 we need to awaken to Satan's lies all around us.

Â

It is a lie that Jan.6 was a peaceful demonstration.

and Satan is the Father Of all lies.

it is a lie That Trump was re-elected, and Satan is the ?Father Of all lies.

Lies: cover ups by bishops of clergy sex abuse, that all border crossers are drug runners, that red lights are green for red light runners, that vaccines do not work,that QAnon's conspiracy theories are accurate.

Satan is the Father Of ALL LIES. THIS LENT, DELIVER US FROM EVIL!
