The Double Standard The story of the woman taken in adultery shows the old “double standard” at work. Where is the man? Jesus approach to women is always understanding And compassionate to their plight. Today in Ukraine women are in a double bind. They are refugees with children needing their Protection. Our recent St. Patrick celebration enabled me to send $500 To SAVE THE CHILDREN. THIS is a worthy charity with 80 percent of It’s collections going in direct aid. May God deliver Ukraine from its nightmare. May Easter see its resurrection from its tomb.
