

Good Shepherds

Today: Good Shepherd Sunday

Who are Good Shepherds today?

Pope Francis who said “NATO MAY HAVE PROVOKED Russia’ ire “by barking at Russia’s door.”

His opinion which MIGHT GIVE HIM Negotiating room if he goes to Moscow as he wishes to do.

so who are other Good Shepherds? So many: critical care nurses, Coast Guard crews, cops who really live up to their motto: “to protect and serve.” Doctors Without Borders, What would we do without them?

Today we lift up in grateful prayer all our protectors.

Good shepherds of the flock, we thank you.
